

[illegible]

FIG. 1

A hand-drawn perspective view of a mechanical assembly, likely a valve or a similar fluid control device. The drawing is labeled '2/3' in the upper right corner. The assembly consists of a main body (10) with a central opening (12). A central shaft (14) passes through the opening, with a handle (16) at the top and a lever (18) at the bottom. The handle is connected to a valve stem (20) which is seated within a valve body (22). The lever is connected to a linkage mechanism (24) that operates the valve stem. Various other components are labeled with numbers: 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, 100. The drawing is a perspective view, showing the internal components and the external structure.
